

Welcome to our new Springbrook Golf Course website! We've been working toward this site redesign for some time, understanding through our own use and the comments of our patrons, that enhancements to our online golf information was needed. We took many of our golfers' comments as well as the comments and recommendations of staff to construct a site that is much more user-friendly while addressing the needs of our golfers.

As you navigate the site, you will notice that it's very image driven and interactive with several new features including:

- Online shopping to purchase gift cards, tournament registrations, and handicaps
- Video golf tips from our golf pros
- An "Aces" page recognizing our golfers who have hit holes-in-one
- An enhanced online tee time reservation system
- A new customer feedback tool

Additionally, I invite you to join our e-mail club to receive special offers and check out our online calendar for Internet specials during any given month of the golf season.

I'm very proud of our new website and the enhanced image it gives to Springbrook Golf Course. As we are always looking for ways to improve our services and communications, I would appreciate any questions or feedback that you may have regarding our new golf website. I also encourage you to visit the new website of our sister golf course, Naperbrook.

I hope to see you enjoying a round of golf at Springbrook Golf Course very soon!

Sincerely,

Ed Provow  
Director of Golf Operations  
Springbrook Golf Course
